

PINKO

AUTHORIZATION FOR A DESIGNATED PERSON TO PICK UP THE ORDER FROM THE STORE

Fill in the form below with your own details and those of the person designated to pick up the order from a Pinko store.

When picking up the order, the designated person will need to show:

- a copy of the identity document of the customer who made the order;
- their own valid identity document;
- the email confirmation of the shipment, either printed or on a mobile device.

The personal data contained in this form will be used by Pinko exclusively to offer its customers an efficient service and to complete the operations connected with and related to the sale. The data will be processed using manual and automated methods. It is not mandatory to provide the data, but failure to do so may make it impossible to deliver the ordered product. This data may be made known to employees, suppliers of services and public authorities and offices, when required by law. It is possible to request the updated list of those responsible for data processing and exercise the rights to amendment and erasure of the data by contacting the controller at the physical store where the data is collected. For further information on the processing of data, please consult the complete data protection policy available in the store and view the dedicated section on the website www.pinko.com.
